ElectraMeccanica Appoints Chief Financial Officer Bal Bhullar to Board of Directors

VANCOUVER, British Columbia, Dec. 09, 2019 (GLOBE NEWSWIRE) -- ElectraMeccanica Vehicles Corp. (NASDAQ: SOLO) ("ElectraMeccanica" or the "Company"), a designer and manufacturer of electric vehicles, has appointed the Company's Chief Financial Officer, Ms. Bal Bhullar, to the Board of Directors effective December 6, 2019, concurrent with the resignation of Shaun Greffard.

Ms. Bhullar is an accomplished financial executive with over 25 years of diversified business, financial and risk management experience, with both public and private companies, across various sectors including technology, manufacturing and transport. Ms. Bhullar brings expertise in financial & strategic planning, operational & risk management, regulatory compliance reporting, business expansion, start-up operations, financial modeling, program development, corporate financing, and corporate governance/internal controls. Ms. Bhullar carries designations of Chartered Professional Accountant (CPA), Certified General Accountant (CGA) and Certified Risk Management (CRM).

"We are pleased to welcome Bal Bhullar to the Board. Bal's extensive experience in both finance and capital markets, as well as her firsthand knowledge of our operations and vision has proven to be of considerable value to the Company," said Steven Sanders, ElectraMeccanica's Chairman. "We thank Shaun Greffard for his dedication and over three years of service as a Director of the Company and extend best wishes to him as he pursues other personal and professional interests."

"I am truly honored to have been appointed to the Board of Directors," said Bal Bhullar, Chief Financial Officer of ElectraMeccanica. "Mobility is undergoing rapid change and ElectraMeccanica is in the forefront of a disrupted industry with the unique **SOLO** EV. I look forward to working closely with the Board to represent our shareholders and drive long-term value creation."

About ElectraMeccanica Vehicles Corp.

ElectraMeccanica Vehicles Corp. (NASDAQ: SOLO) is a Canadian designer and manufacturer of electric vehicles. The company's flagship vehicle is the innovative purpose built; single-seat electric vehicle called the **SOLO**. This vehicle will revolutionize commuting, delivery and shared mobility. Safe Harbor Statement

Except for the statements of historical fact contained herein, the information presented in this news release and oral statements made from time to time by representatives of the Company are or may constitute "forward-looking statements" as such term is used in applicable United States and Canadian laws and including, without limitation, within the meaning of the Private Securities Litigation Reform Act of 1995, for which the Company claims the protection of the safe harbor for forward-looking statements. These statements relate to analyses and other information that are based on forecasts of future results, estimates of amounts not yet determinable and assumptions of management. Any other statements that express or involve discussions with respect to predictions, expectations, beliefs, plans, projections, objectives, assumptions or future events or performance (often, but not always, using words or phrases such as "expects" or "does not expect", "is expected", "anticipates" or "does not anticipate", "plans", "estimates" or "intends", or stating that certain actions, events or results "may", "could", "would", "might" or "will" be taken, occur or be achieved) are not statements of historical fact and should be viewed as forward-looking statements. Such forward looking statements involve known and unknown risks, uncertainties and other factors which may cause the actual results, performance or achievements of the Company to be materially different from any future results, performance or achievements

expressed or implied by such forward-looking statements. Such risks and other factors include, among others, the availability of capital to fund programs and the resulting dilution caused by the raising of capital through the sale of shares, accidents, labor disputes and other risks of the automotive industry including, without limitation, those associated with the environment, delays in obtaining governmental approvals, permits or financing or in the completion of development or construction activities or claims limitations on insurance coverage. Although the Company has attempted to identify important factors that could cause actual actions, events or results to differ materially from those described in forward-looking statements, there may be other factors that cause actions, events or results not to be as anticipated, estimated or intended. There can be no assurance that such statements will prove to be accurate as actual results and future events could differ materially from those anticipated in such statements. Although the Company believes that the expectations reflected in such forward-looking statements are based upon reasonable assumptions, it can give no assurance that its expectations will be achieved. Forward-looking information is subject to certain risks, trends and uncertainties that could cause actual results to differ materially from those projected. Many of these factors are beyond the Company's ability to control or predict. Important factors that may cause actual results to differ materially and that could impact the Company and the statements contained in this news release can be found in the Company's filings with the Securities and Exchange Commission. The Company assumes no obligation to update or supplement any forward-looking statements whether as a result of new information, future events or otherwise. Accordingly, readers should not place undue reliance on forward-looking statements contained in this news release and in any document referred to in this news release. This news release shall not constitute an offer to sell or the solicitation of an offer to buy securities.
